Welcome
TO INDOGULF GROUP

Follow us at:

1

Late Shri Krishan Dass Aggarwal
(Founder)

Late Shree Shri Krishan Dass Aggarwal laid the foundation of the business in 1965 with determination and commitment to fulfill the requirements of the farmers by providing them the world class product at affordable prices.

With changing times, we have now evolved into Indogulf Cropsciences Ltd., a dynamic organization having global footprint.

2

Mr. Om Prakash Aggarwal
(Group Chairman)

After contributing 23 years to family business and taking it to greater heights, Shri Om Prakash Aggarwal established Jai Shree Rasayan Udyog Ltd. in year 1993. Having vision of modern agriculture technology for higher production of food grains, vegetables and fruits along with minimum agronomic losses, he has established a most respected corporate house in the industry today. Business with deep roots, ethics & work loving culture are the principals by which he brought the company to the top 10 Industries in India.

3

Mr. Sanjay Aggarwal
(Group Managing Director)

Shri Sanjay Aggarwal is the young and dynamic leader of the indogulf Cropsciences Ltd. who has taken the company to the soaring heights not only in india but also globally.

He brought about many changes in the manufacturing facilities in Indogulf production plants and then took over the reins of entire operations. His modern & professional approach and out of the box thinking has shaped the Indogulf Cropsciences Ltd. a world class company.

About Us

Grow More in Safe Hands of Protection.

Our Commitment to everyone who is associated with

“THE INDOGULF GROUP”

Indogulf Cropsciences Ltd (formerly Jai Shree Rasayan Udyog Ltd) is a leading manufacturer and exporter of Agrochemicals including Crop Nutrients, Crop protection, Technicals, Formulations and other pesticide products in India.

ICL operates in the field of plant nutrition since 1993 playing the leading role in Indian market.

Today we have 7 state-of-the-art manufacturing facilities that include formulation plants, technical plants and bottling plants in India. Each unit operates under the strictest international quality standards and has been certified under ISO 9001 for Quality Assurance and ISO 14001 for Environment Pollution Control Norms. As a recognition of its enduring efforts and sound operations in exports, we are a Government of India Recognized “A” Star Export House. We have been awarded with 1st Prize in MSME awards for the highest quality of micronutrient fertilizers, by the Hon'ble Prime Minister, Shri Narendra Modi.

Always looking for innovation, we offer a full range of fertilizers and nutritional specialities appreciated for their efficacy improving the qualitative and quantitative crop yields following the principles of sustainable development.

The company is committed for providing best solutions to our customers need through specialized sales team, strong network and qualified technical expert.

VISION

At the “THE INDOGULF GROUP” we are committed to improving the quality of life of the communities we serve. We do this by striving for leadership and global competitiveness in the business sectors in which we operate.

MISSION

To improve the quality of life for the world's population by supplying products that help farmers to protect crop, increase yields and quality of the crops to satisfy the global demand for food, fiber and energy.

STRATEGY

ICL advocates the corporate culture of Collaborate, Contribute and Communicate. With expansion in product portfolio, packaging range, vertical corporate brand portfolios and other latitudinal & longitudinal parameters, we aim to achieve our goals of growth & prosperity together with quality service to the real entrepreneur - Our Farmers.

Mr. Om Prakash Aggarwal
(Group Chairman)

Shri OP Aggarwal is the Group Chairman of Indogulf Cropsciences Ltd. After contributing his 23 years to family business and reaching them to greater heights Shri OP Aggarwal established Jai Shree Rasayan Udyog Ltd. in year 1993. Later on Jai Shree Rasayan Udyog Ltd has transformed itself in "The Indogulf Group". His deep commitment and inspiring leadership in initial turbulent days is an example worth inculcating. His passion to contribute to Indian Agriculture is commendable. His ability to prioritize and deal effectively with a number of tasks simultaneously reinforced with the skills to make effective decisions, has metamorphosed the business venture into one of the fastest growing agrochemical Company in India which is awarded thrice as 'Overseas Expansion awards' by CAC. His rich and invaluable experience of over last three decades in Agrochemical Industry has contributed immensely in the growth of the Company and added much needed expertise to the Board. He mentors and gives strategic direction to the team. In order to achieve his aspiration of "Lets Grow Together" he has dedicated himself to bring changes in Agrochemicals Industry and the farming community. His contribution for adopting newer farming techniques at the grass root level, judicious use of agro chemicals in farming and imparting knowledge through his nationwide network of distributors and Indogulf Development Officer in field has resulted in the overall prosperity of farmers.

Desk of Active Director

Mr. Sanjay Aggarwal
(Managing Director)

Mr. Sanjay Aggarwal is the Managing Director of Indogulf Cropsciences Ltd. He is an eminent personality with vast and rich experience in the Agrochemicals Industry. He holds a Degree in Bachelor of Commerce (Hons) from Sri Ram College of Commerce, Delhi University and Master's in Business Administration from IIBM, New Delhi. His "can-do" attitude, ability to build trust and credibility with ICL team has been instrumental in transforming this 1993's start-up into a "600 crores" Company which has been thrice chosen by CAC China for 'Overseas Expansion Awards' and 1st prize winner of 'MSME Award' by Government of India. He is proficient in the Corporate Affairs and his keen insight & judgment brings excellence in the functioning of the Company. He brought about many changes in the manufacturing and production facilities in Indogulf production plants and then took over the reins of entire operations. Ever since then he has spear-headed the Managing Director of the Company including the liaison activities with international agro-giants to bring in world class agro solutions to Indian farmers and vice – a – versa. Under his supervision the Company has achieved outstanding revenue growth & incremental profits year after year. He has deep commitments towards the achievement of organizational goals and has also played a key role in instilling principles of Corporate Governance in the functioning of the Company. His foresight and business acumen has propelled the Company towards achieving its goals. A leader par excellence, he manages the overall affairs and has contributed substantially in enhancing the profitability of the organization with his leadership and soft skills. Currently he is driving the Senior Leadership team with initiatives under the aspiration of "Grow Together". He is highly active in social activities and has a philanthropic bent of mind, he is also an active member of Rotary Club. Mr. Sanjay Aggarwal is known for his competitive outlook and strong organizational skills which he strongly imbibes among his close confidants. A visionary leader who is unconventional in his approach is an inspiration for the next generation. As a leader he is very tech-savvy and has deep insights on the evolution of Agro-Industry not only in India but across the globe. He is recipient of numerous awards and accolades from media and industry associations.
